- Hourly Rate between 9 am and 5 pm: 15$
- Rate for a business day period 9 am to 5 pm : 75$
- Rate for an evening and night period 7 pm to 9 am: 75$

The sample preparation, calibration of the instrument and spectra processing time will be invoiced at an hourly rate of 15$/h.

AVANCE 400
- Hourly Rate between 9 am and 5 pm: 20$
- Rate for a business day period 9 am to 5 pm : 100$
- Rate for an evening and night period 7 pm to 9 am: 100$
- 24hr period: 200$

The sample preparation, calibration of the instrument and spectra processing time will be invoiced at an hourly rate of 20$/h.

AVANCE III 400 AND AVANCE 500
- Hourly Rate between 9 am and 5 pm: 25$
- Rate for a business day period 9 am to 5 pm : 125$
- Rate for an evening and night period 7 pm to 9 am: 125$
- 24hr period: 250$

The sample preparation, calibration of the instrument and spectra processing time will be invoiced at an hourly rate of 25$/h.

AVANCE 700
- Hourly Rate between 9 am and 5 pm: 35$
- Rate for a business day period 9 am to 5 pm : 175$
- Rate for an evening and night period 7 pm to 9 am: 175$
- 24hr period: 350$

The sample preparation, calibration of the instrument and spectra processing time will be invoiced at an hourly rate of 35$/h.

N.B On all spectrometers, for all variable temperature analysis requests, an overcharge will be applied. This overcharge will vary according to the type of experiment and needs to be discussed with the laboratory director beforehand.
SOLID NMR, IMAGING AND DIFFUSION: AVANCE 400

- Hourly Rate: 20$
- Rate for a business day period 9am to 5 PM: 100$
- Rate for an evening and a night period 7PM to 9AM: 100$
- 24hr period: 200$
- Price for renting rotors:
  - static 10$
  - 4mm 20$
  - 7mm 20$
  - 2.5mm 40$

N.B. An overcharge might be applicable depending on the type of experiment.

SOLID NMR, IMAGING AND DIFFUSION: AVANCE 600

- Hourly Rate: 30$
- Rate for a business day period 9am to 5 PM: 150$
- Rate for an evening and a night period 7PM to 9AM: 150$
- 24hr period: 300$
- Price for renting rotors:
  - static 10$
  - 4mm 20$
  - 7mm 20$
  - 2.5mm 40$

N.B. An overcharge might be applicable depending on the type of experiment.

ANNUAL SERVICE CONTRACT

For users planning on using NMR services on a routine basis and for a total of more than 2500$ per year, it is possible to discuss with the NMR director to get discounted rates.

SPECTRA INTERPRETATION AND CONSULTATION

All users should be aware that an hourly rate of 50$ will be invoiced for any extra assistance provided by the NMR staff that is not included in the above fees.

Discussions about planification and informations of upcoming or past analysis done by the laboratory are not subject to this extra hourly rate.
